EDUCATION

B TECH / SR UNIVERSITY, WARANGAL

2023 - 2027

Currently pursuing a Bachelor of Technology (B.Tech) in CSE(AIML) – 2nd Year at SR UNIVERSITY. Developing a strong foundation in Data Structures, Algorithms, Java Programming, Artificial Intelligence , Machine Learning. Passionate about problem-solving, coding, and continuously enhancing technical skills through projects and hands-on learning.

SKILLS

- Problem solving
- Flexibility
- Communication
- Organization
- Critical thinking
- Collaboration

Academic Achievements:

~ Awarded **Best Academic Performance** for outstanding results in 3rd Sem

Technical Achievements:

- ~ Developed a Cards Fraud Project using **Python**, solving Cards Frauding.
- ~ Completed a **certification** in Java basics from Coursera
- ~ Completed a **certification** in AIML from Edu Skills
- ~ Completed a **certification** in Machine Learning from Rinex

Extracurricular & Leadership:

=> Participated in **technical fest Like MUN**

ACTIVITIES

As a passionate and driven individual, I actively engage in learning and networking to enhance my skills and stay updated with industry trends. I enjoy participating in technical workshops, hackathons, and coding competitions to sharpen my problem-solving abilities. Additionally, I dedicate time to researching emerging technologies, contributing to open-source projects, and collaborating with like-minded peers on innovative solutions. My curiosity and enthusiasm drive me to continuously improve and explore new opportunities in the tech world.
